

**ORDINANCE OF THE BOROUGH OF AUDUBON PARK, COUNTY OF CAMDEN  
AND STATE OF NEW JERSEY REVISING, AMENDING AND/OR SUPPLEMENTING  
ORDINANCES REGULATING DOGS AND CATS – No. 2016-03**

**WHEREAS**, the Borough of Audubon Park (“Borough”) is a municipal entity organized and existing under the laws of the State of New Jersey and located in Camden County; and

**WHEREAS**, Ordinances No. 57 and No. 2010-10 established licensing requirements for cats and regulations pertaining to ownership, harboring and/or maintenance thereof within the Borough; and

**WHEREAS**, Ordinance No. 2015-03 repealed and replaced Ordinance No. 51-2001 and 2010-9 regulating the ownership, licensing and permitted and/or prohibited behavior of dogs within the Borough; and

**WHEREAS**, a significant number of puppies and kittens sold at pet shops come from large-scale commercial breeding facilities where the health and welfare of the animals are not adequately provided for (“puppy mills” and “kitten mills” respectively). According to the Humane Society of the United States it is estimated that 10,000 puppy mills produce more than 2,400,000 puppies a year in the United States and that most pet shop dogs and cats come from puppy mills and kitten mills; and

**WHEREAS**, the documented abuses endemic to puppy and kitten mills include over-breeding; inbreeding; minimal to non-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization; lack of adequate space; and lack of adequate exercise; and

**WHEREAS** the inhumane conditions in puppy and kitten mills facilities lead to health and behavioral issues in the animal bred in those facilities, which many consumers are unaware of when purchasing animals from pet shops due to both lack of education on the issue and misleading tactics of some pet shops in some cases. These health behavioral issues, which may not present themselves until sometime after the purchase of the animals, can impose exorbitant financial and emotional cost on consumers; and

**WHEREAS** current Federal and State regulations do not adequately address the sale of puppy and kitten mill dogs and cats in pet shops; and

**WHEREAS** restricting the retail sale of puppies and kittens to only those that are sourced from shelters or rescue organizations is likely to decrease the demand for puppies and kittens bred in puppy and kitten mills, and is likely to increase demand for animals from shelters and rescue organizations; and

**WHEREAS**, according to the NJ Department of Health 2014 Animal Intake and Disposition Survey, due in large part to pet overpopulation, more than 20,000 dogs and cats are euthanized in New Jersey animal shelters annually, including nearly 1,500 in the County of Camden. Restricting the retail sale of puppies and kittens to only those that are sourced from

animal shelters and rescue organizations will likely reduces pet overpopulation and thus the burden on such agencies and financial costs on the local taxpayers; and

**WHEREAS** across the country, thousands of independent pet shops as well as large chains operate profitably with the business model focused on the sale of pet services and supplies and not on the sale of dogs and cats. Many of these shops collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

**WHEREAS** this ordinance will not affect a consumer's ability to obtain a dog or cat of his or her choice directly from a breed-specific rescue organization or a shelter, or from a hobby breeder where the consumer can see directly the conditions in which the dog or cat are bred, or can confer directly with the hobby breeder concerning those conditions; and

**WHEREAS** the Audubon Park Mayor and Borough Council (the "Governing Body") believes it is in the best interests of this municipality to adopt reasonable regulations to reduce costs to the municipality and its residents, protect the citizens of the municipality who may purchase cats or dogs from a pet shop or other business establishment, help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more humane environment within the municipality; and

**WHEREAS**, the aforementioned Ordinances have been determined by the Governing Body to be in need of revision and modification to address the aforementioned concerns; and

**WHEREAS**, the Governing Body has deemed it in the best interest of the public health, safety and welfare of the residents to update these regulations; and

**WHEREAS**, pursuant to N.J.S.A. 40:48-2, the Governing Body is authorized to enact and amend ordinances as deemed necessary for the preservation of the public health, safety and welfare and as may be necessary to carry into effect the powers and duties conferred and imposed upon the Borough by law;

**NOW, THEREFORE, BE IT ORDAINED** by the Mayor and Council of the Borough of Audubon Park, County of Camden, and State of New Jersey, as follows:
